The Menu of Agave's from Farmington contains about 19 different dishes and drinks. On average, you pay for a dish / drink about \$7.1. What [Rodrigo Berge](#) likes about Agave's: This is really an authentic [Mexican](#) family restaurant. The family they run are all very friendly. The food is as good as it will. Salsa, guacamole and cheese dipping (Nectar of the Gods) are all made fresh. There's nothing I've eaten there, which wasn't brilliant. They never leave your glass empty more than half, but they do not float. The service is as brilliant as the food. We'll be back soon! [read more](#). Look forward to the **diverse, fine Mexican cuisine**, traditionally prepared with corn, beans and chilies (hot peppers).
