I've eaten at least 10 years in Warsaw, but that was the first time I've eaten at Clinton's site. The service was great, I had the Burrito Rio Grande a 12-in tortilla with beef tips, beans and rice inside, rolled, with cheese dip and red sauce upstairs and it was great and it came in less than 5 minutes. It is very clean and they have an outside area with many tables. Thanks El Cam!!! [read more](#). The restaurant also offers the possibility to sit outside and eat and drink in nice weather. Get excited about the diverse, fine Mexican cuisine, which is traditionally cooked with corn, beans and chilies (hot peppers), there are also delicious vegetarian menus on the menu. Surely, it's also a nice experience to feel like in the **Wild West** once, to drink and eat like the cowboys or even the bandits with a beverage or two paired with onion rings and a nice juicy burger.
