**The Card** of Mercado Loco from Roseville contains about **18** different menus and drinks. On average, you pay for a dish / drink about \$17.4. What [Brittany M](#) likes about Mercado Loco:

Amazing. I kept it pretty simple I got Al Pastor, rice, beans and pickled jalapeños. Some sour cream on the side and it was amazing. The only know I would add is that my Food wasn't exactly hot when I got it. But if I'm being honest it's nothing 30 seconds in the microwave didn't fix. Amazing taste, big portion. Will be ordering again [read more](#). What [John L](#) doesn't like about Mercado Loco:

No salsa was included with my order, even after asking what kind of salsa I want, they didn't include any So food is rather bland, extension, and I did not enjoy my meals on this order. The pastor was not great this time either. I have had better experiences there in the past [read more](#). Anticipate the *varied, tasty Mexican cuisine*, which is usually prepared with corn, beans and chilies (hot peppers).
