The restaurant from Pasadena offers **17** different **dishes and drinks on [the menu](#)** at an average \$6.8. Mixed reviews of this Denny's location paint a picture of a hit-or-miss dining experience. Common complaints of hot temperatures inside, limited menu options, and food quality issues are counterbalanced by praise for friendly staff, good food, and excellent service. The lack of adequate air conditioning seems to be a recurring issue, with inconsistent customer experiences based on the time of day or season. Despite some ongoing challenges, a few standout employees receive high praise for their exceptional service, suggesting that the overall experience at this restaurant is heavily influenced by individual interactions.
