We went in for breakfast on a Sunday morning. It was a great atmosphere very cozy, and multiple people were helping us when we got there. We sat inside in a nice booth, and all the food was exactly what you would expect. Everything was good and the service was friendly! We would definitely come back for breakfast or really anything else that they offer! [read more](#). In nice weather you can even have something in the outdoor area. What [Kent](#)

[Santin](#) doesn't like about Shady Lady Saloon:

Drinks were good, however other restaurants in the area definitely executed better in our opinion. Food was fine, although honestly wouldn't come back for the food specifically. Service was friendly but could have been a bit more attentive, always had to waive someone down if we wanted to order another drink or food. [read more](#).
