The place from Bayside offers **17** different *dishes and drinks* on [the card](#) at an average price of \$1.7. What [User](#) likes about Taco Han:

Great place for what you pay for the reasonable price. The portions are very generous, with sometimes double the food for little price. The combo plates are worth the money wherever you get frits, a drink and a lot for your main dish. I would recommend the chicken tacos because they give you a lot of chicken and I mean a lot.
