Owner is very respectful and always has a smile on his face. The Veggie burrito here is pretty awesome. They stir fry veggies in the burrito which is very cool and adds a unique flavor in Burrito. Pretty reasonable prices and It's my go to place for [Mexican](#) food : [read more](#). The restaurant is accessible and can therefore also be used with a wheelchair or physical disabilities, Depending on the weather, you can also sit outside and eat. What [Taya Simonis](#) doesn't like about Cal Eats Fresh Mexican Grill:

Ordered via doordash... got shrimp taco, blackened fish taco and chicken burrito bowl. No flavour and salty. I paid extra for cheese and guacamole for the burrito bowl and they were so stingy with both of them. Will not be returning or ordering from here again. [read more](#). Anticipate the *varied, fine* [Mexican](#) cuisine, which is usually prepared with corn, beans and chilies (hot peppers).
