Yes it's under new ownership the owner doesn't even live in this state or does he care about the workers there. They have to work short handed. Most of the time there is only 3 cooks total on the schedule. running a business from another state can't even be there to help out his employees or see how his businesses is running either. They can't keep good help if you don't care about the people who is making him . 3 co... [read more](#).
