I found a rock in my chicken and broccoli and I bit into it. I called the store asking for a refund because obviously I'm not gonna continue eating food with a rock in it. The only thing they offered me was giving me a new Platter of chicken and broccoli and told me to call 911 if it's really that urgent.... Definitely don't recommend going here. Just thankful it was me and not my children who got the rock. [read more](#).
