My favorite restaurant! To address some of the reviews before mine- Yes the food takes some time (In person) but it is WORTH the wait and not that bad if you call in advance. Especially since they make it as you order! The food is very fresh and you can taste the rich flavor. [read more](#). The premises on site are wheelchair accessible and can also be used with a wheelchair or physiological limitations. What [Juanita Toy](#) doesn't like about Al Fin: the customer service was terrible! what I didn't like was that we were served stale chips and thought we wouldn't complain. the waiter was an idiot when my child and my mother went to bed, he gave us a dirty look. the shy was old and let my mother get sick. his whole attitude was disgusting as his eating!
