Here you can find the [menu](#) of **The Palm Deli** in [Aptos](#). At the moment, there are 16 dishes and drinks on the food list. You can inquire about [changing offers](#) via phone. What [User](#) likes about The Palm Deli: UPDATE: I have now also tried the meat store sandwich and the pesto chicken sky. Both are great sandwiches. The ingredients are top notch. I found out that her bread is freshly baked every morning and delivered at 6:30. This has become my place for sandwiches. The primetime at The Palm Sandwich is a must! The bread, the cooker and grilled sweet onions are boiled exactly right and the smokey Bbq sauce supplements the... [read more](#). What [User](#) doesn't like about The Palm Deli:

Unfortunately, this place went down in 2022 under new ownership. You've messed up my sandwich order three times as every time, even if I told the 2nd twice exactly what happened before! On the plus side, someone told me that they have a good new Burrito menu that could be worth trying. [read more](#). At The Palm Deli from Aptos you can *savor delicious* [vegetarian](#) dishes, in which no animal meat or fish was used, There are also nice **South American** dishes in the menu. In addition to small snacks, sweet pieces and cakes, we also serve cold and hot drinks, The yummy sandwiches, small salads and other snacks can be planned well as a snack.
