I love Thai food and I highly recommend those place. I ordered the beef Thai fried rice without egg and beef lumpia. The fried rice was good and has a nice flavor. The lumpia was good as well. The next I order I will add a little spice to my Thai fried rice. I will definitely be returning to order. You can dine in or order takeout. [read more.](#)

In beautiful weather you can even eat and drink in the outdoor area, And into the accessible spaces also come customers with wheelchairs or physical limitations. What [jacob french](#) doesn't like about Bangkok House: Absolutely disgusting restaurant and staff and ownership! Bugs in food! Raw meat left out for hours then cooked and served to customers. All around disgusting and an extreme health hazard I would recommend staying clear of this restaurant! Service: Take out Meal type: Dinner Price per person: \$20–30 Food: 1 Service: 1 Atmosphere: 1
