I love this place and take the 45 minutes drive to get me a dozen. [read more](#). What [User](#) doesn't like about Hurts Donut Co.:

Very nice presentation. Lots of selection. Very clean. Unfortunately, I will not be back as the donuts themselves were all right, the toppings were all sugar with minimal flavor. The only taste palette being hit was sweet. The same issue with the Nutella, there was no Nutella flavor just sugary chocolate icing flavor . Not for me, but that doesn 't mean that someone else won 't love them. [read more](#). The restaurant also offers its visitors a *catering service*, Inthemorning a versatile brunch is offered here.
