**The Menu of Carvel from Brooklyn** contains about **18** different dishes and drinks. On average, you pay for a dish / drink about \$18.8. Carvel's is a neighborhood favorite, offering a mix of positive experiences and significant concerns. While many patrons rave about the exceptional kindness of the staff and the delightful flavors of their ice cream, grievances regarding customer service persist. Issues including melted ice cream and unhelpful staff responses can mar the experience. Although the quality of the ice cream and custom cakes garners praise, some suggest avoiding online orders due to potential mistakes. Renovations are underway, adding to the ambiance of this beloved but inconsistent parlor. Overall, Carvel's remains a go-to for ice cream lovers, despite some notable drawbacks.
