The restaurant from Thousand Oaks offers 18 different meals and drinks on the menu at an average price of \$6.9. What [Nasser Salomon](#) likes about Grabbagreen:

This is an excellent place where vegans can share meals with vegetarians or meat eaters. Their bowls are made to your choice. You can choose your vegan protein soy based chicken. They also offer some raw juices to add to your meal. I like that they have picnic tables around the outside for you to eat your food while being socially distant from others. I recommend getting the mango chili sauce on the side to add to yo... [read more](#).
