Here you can find the [menu](#) of Arby's in Arlington. At the moment, there are **15** dishes and drinks on the menu.

Arby's has received mixed reviews lately, with diners expressing disappointment over its menu offerings and service. Many lament the lack of authenticity in items like the Philly cheesesteak and gyro, describing the meat as subpar and unappetizing. Service issues plague the restaurant experience as well, with patrons reporting long wait times, rude staff, and cold food. While some customers find joy in the promotions and certain sandwiches, such as the Turkey and Bacon, the overall consensus reveals a need for improvement in both food quality and customer service to enhance the dining experience at this fast-food chain.
