This a cute place the interior could use a little better maintenance and updating. The service is friendly but pretty slow. The food is overall good but also a little slow. Pretty limited menu. The empanadas and chicken asada were great. The carne asada tacos were not good. The meat was VERY dry. [read more](#). The diner is accessible and can therefore also be used with a wheelchair or physiological limitations, and there is complimentary WLAN.

What [Danna Ballinas](#) doesn't like about Sueño Latino:

Get excited about the **diverse, tasty Mexican cuisine**, which is traditionally cooked with corn, beans and chilies (hot peppers), the menu also includes delectable vegetarian menus. With fresh seafood, meat, as well as corn and potatoes, here they also **South American grill**, Furthermore, the drinks menu in this eatery is impressive and offers a good and comprehensive variety of beers from the area and from worldwide, which are definitely worth a try.
