The restaurant from Taylor offers **18** different *menus and drinks* on [the menu](#) at an average price of \$7.1. What [Khalid Bazzar](#) likes about Pinkberry:

Inside [Taylor](#) Mall close to forever 21 entrance. Friendly staff and good customer service. Good frozen yogurt with a good variety of flavors and toppings. They also have smoothies. I usually don't like the original frozen yogurt flavor, but PinkBerry's original is really good. [read more](#). What [User](#) doesn't like about Pinkberry: Denice was very rude. I requested a simple order; the same order I always order. Denice made it very difficult to order. She didn't listen to my request for fruit, then she overcharged me (compared to my previous charges) and the menu price. [read more](#). For breakfast, you can enjoy a [diverse brunch](#) at Pinkberry, freely at your own will, They also present nice South American menus to you on the menu. Moreover, there are fine American dishes, such as burgers and grilled meat, The **sugar-sweet** desserts of the restaurant also shine not only in the eyes of our little guests.
