the food and service was very good. That's exactly what you can expect at the Pisces from Reno, with its unconventional Asian fusion cuisine - the right mix of familiar meets the adventurous world of fusion cuisine, Likewise, the customers of the establishment prefer the large selection of various coffee and tea specialities that the restaurant provides. A lot of freshly harvested vegetables, fish and meat is used in the *easily digestible Japanese cuisine* of Pisces, among the specialties of this restaurant are particularly the Sushi and **Sashimi**.
