A **comprehensive [menu](#) of Manhattan Bagel** from Media covering all **17** menus and drinks can be found here on the food list. Renowned for its friendly atmosphere and satisfying breakfast offerings, Manhattan Bagel remains a beloved spot for many. While patrons rave about the XL Breakfast Burrito and flavorful rye and pumpernickel bagels, recent visits have highlighted inconsistencies in bagel freshness and ordering efficiency.

Some customers experienced longer wait times and a lack of gluten-free options. Coffee has also received mixed reviews, described as underwhelming compared to the standout food. Overall, while many appreciate the quality of the food and the welcoming staff, improvements in consistency and customer service could elevate the experience further.
