A more authentic Drive-Thru Mexican food at reasonable prices. I recommend the burritos over the tacos. The Rolled tacos are very good. I don't care for their tamales, or enchiladas. Very friendly people. [read more](#). What

[User](#) doesn't like about Los Betos:

I've eaten a lot of paints here in the last few years and every time I eat at this place, I've got food poisoning. when they think about eating here, they take the extra time and drive down the boulevard. the location closer to caldwell is much cleaner and well maintained. I will not eat at this place. this location requires new management as soon as possible. [read more](#). Anticipate the **varied, delicious Mexican cuisine**, which is usually prepared with corn, beans and chilies (hot peppers).
