big as your face burrito with Ranchero sauce, keep them the cheese. I am pretty confident that this combo comes vegan. this meal is killer, a little better done when she splurge for a creature guacamole. the fresh salsa is from this world good! [read more](#). When the weather is nice you can also eat outside. What [Christopher Mitchell-Whitesel](#) doesn't like about Chuy's:

The salsa had too much of a vinegar taste! I got the tortilla soup which wasn't good this time, came once before and it was great! Wife just wanted some cheese dip for chips and we both had a tea. The cheese dip had a burnt flavor to it tike it was left on high for couple days! Freaked out when we got bill! Definitely not coming back!

For \$30 we got soup, cheese dip and 2 drinks [read more](#). Get excited about the diverse, scrumptious [Mexican](#) cuisine, which is traditionally cooked with corn, beans and chilies (hot peppers), Especially delicious **juices** are very popular among the customers.
