What **User** likes about Simply Thai:

I live in the building next door and we wanted to try this place for months; we finally did it and it was phenomenal! I thought it looked a bit expensive and the menu was different than most Thai places ever tried, but it was worth beyond. the quality of the food and seasoned were delicious. my wife also has a Thai bubble tee and she is obsessed. also these photos are terrible, we have already dig into the food, but... as the other reviewer wrote, this place is a shame not authentic Thai food. the Chinese version of Thai...as green go on the road. the restaurant just Thai earlier at this place was the real deal. really sad that she left I hoped that this Rain place would be a decent replacement, it is not. I am back on my search for authentic Thai food [read more](#). At Simply Thai from Copiague you have the opportunity to savor delicious **vegetarian menus**, in which no trace of animal meat or fish was processed, on the menu there are also a lot of *Asian menus*. The **Asian fusion cuisine** is likewise an important part of Simply Thai. Anyone who finds the usual and generally known dishes too ordinary can here approach with a willingness to experiment and try some unexpected combination of ingredients eat, Here, Thai menus are prepared with the popular spices and (fish-) sauces.
