I probably come here at least once in the week as it is close to repairing my nude and militant for the week. both eating and drinking are such a high recommendation from me! [read more](#). The restaurant offers free WLAN for its guests, Depending on the weather, you can also sit outside and have something. What [User](#) doesn't like about Kencho Social: I like the peach bum fruit tea, but the noodles are really just food truck quality. they come in plastic bowls with single use utensils. the sauce is very thick and strong, which taste good for the first few bites, but too much for the entire meal. I couldn't finish mine. [read more](#). The extensive diversity of *coffee and tea specialties* makes a visit to Kencho Social even more worthwhile.
