for the first time visit seoul garden and will be the first of many. beautiful small place near the house. the atmosphere is welcoming and cozy. server was very friendly and offers excellent service. a california roll and yummy crunchy roll ordered. absolutely delicious. I can't expect to try more variety in future visits. [read more](#).

The restaurant and its premises are wheelchair accessible and thus usable with a wheelchair or physical limitations, and there is no-charge WiFi. What [User](#) doesn't like about Seoul Garden Temple: if they have never eaten here before the new property, they will probably like it. but if they know how well that was eating, they will probably be disappointed. I waited several traveling after the owner change to decide whether to update my review. they had amazing food before and there was no need to change anything. the sauce is different, the rice is not what I would call fried rice, everything tastes different... [read more](#). Seoul Garden Temple from Temple prepares for you tasty sushi (e.g., Maki and Sashimi), as well as in numerous other variations, with fresh ingredients like fish, vegetables and meat, Also, admirers of Korean cuisine will have their culinary desires fulfilled at the restaurant with menus like Bap, Kimchi or Jjigae. The Asian fusion cuisine is also an important part of Seoul Garden Temple. Anyone who finds the everyday and generally known meals too ordinary should approach with a willingness to experiment and try some unexpected combination of ingredients enjoy, and **easily digestible Japanese menus** are being made with lots of freshly harvested vegetables, fish and meat.
