A complete [menu](#) of Jp's Bbq from Newcastle covering all 16 menus and drinks can be found here on the menu. Nestled in Newcastle, this BBQ restaurant offers a mixed culinary experience. While some diners rave about the flavorful burnt ends and perfectly cooked pulled pork, others express disappointment with overcooked brisket and lackluster sides like cold mac and cheese. Service tends to be hit or miss, with reports of a less-than-welcoming owner, though takeout service receives high praise. Prices vary, generally ranging from \$10 to \$50 per person, making it a suitable option for casual dining. Despite some inconsistencies, many agree the food is delicious enough to warrant a return visit, especially for devoted BBQ enthusiasts.
