What [Lisa K](#) likes about Beyond The Bowl:

This place has really high quality food. Everything is delicious. I usually get a build a bowl and I've never been disappointed. Every time I visit, I think, I need to come here more often! They are also very kind and helpful. My only feedback is it's a little messy behind the counter and could be tidied up a bit, but that's the only thing! [read more](#). The rooms in the restaurant are wheelchair accessible and can also be used with a wheelchair or

physiological disabilities, and there is complimentary WiFi. What [Lee G](#) doesn't like about Beyond The Bowl: The udon soup is ok. Shrimp tempura is too oily. Edamame is very oily. The teriyaki donburi is rice topped with syrupy chicken. Very not Japanese. Not going back. [read more](#). The Beyond The Bowl in Seattle serves various [fine seafood meals](#), The customers of the establishment also appreciate the large variety of differing coffee and tea specialities that the establishment has to offer. If you'd like something after-dinner treat for dessert, Beyond

The Bowl does not disappoint with its good **selection of desserts**, on the menu there are also a lot of Asian dishes.
