Ordered three rolls for delivery through Uber and all were *delicious!* The price is right and quality . The mango roll (mango, crab, salmon) was my favorite but the eel roll and special crunchy roll were also very tasty. [read more](#). The restaurant is accessible and can therefore also be used with a wheelchair or physiological limitations.

What [Alex](#) doesn't like about Mikimoto:

I'd had Mikimoto before, but went last night for the first time in person with my partner. As much as I want to like it, the sushi was warm and did not taste fresh at all. Flavor was not really there and did not correlate well to their pricing. Drink selection was also quite weak and they didn't have limes ?? I'd recommend any other sushi place in the city. 2/10 service was mediocre. [read more](#). With a large selection of freshly harvested vegetables, fish and meat, the Mikimoto from New Orleans prepares healthy, fine Japanese meals, The meals are usually prepared fast and fresh for you. **The preparation of the meals is done authentically Asian**, Furthermore, the visitors love the creative combination of different menus with new and partially experimental products - a nice example of *successful Asian Fusion*.
