What [User](#) doesn't like about Primo: We have dined here many times over the years when we come to Orlando on vacation. I must say this time was very disappointing. Since renovating the restaurant, it is very noisy. We had difficulty hearing conversation even though we were sitting close to one another. Service was fair, we had to wait for our meals longer than usual.

The menu isn't that extensive either. This will be our last visit to Primo. [read more](#).
