A comprehensive [menu](#) of Eagle's from Birmingham covering all 22 meals and drinks can be found here on the food list. Eagles Restaurant captivates diners with a blend of delicious soul food and significant service challenges. Many patrons sing praises for standout dishes like tender oxtail, flavorful neck bones, and hearty veggie plates. However, these culinary triumphs are often marred by long wait times, both in-person and online, alongside inconsistent food quality. While some side dishes, particularly macaroni and cheese and overly salty greens, have garnered criticism, the welcoming atmosphere and friendly staff have left a lasting impression. Despite the frustrations, many are willing to return for another taste of the good while hoping for improved service.
