The restaurant from San Francisco offers 18 different *dishes and drinks* on [the menu](#) at an average \$9.2. What [User](#) likes about Nute's:

Nuts are just solid good eating, the gyoza is delicious and I love the popular khao soi gai and the tonkatsu ramen is also very good. service is great, but try to come if they are not busy or it will wait a long time because it is a very small intimate restaurant. [read more](#). What [User](#) doesn't like about Nute's:

only in the neighbourhood and Nute's was high on the recommendations of friends. it is an inconceivable small place with no visible signs for its name. but they go in, our name on the list and then wait to be called for a table. on a Friday night our wait was not long – maybe 15 minutes – great for a walk! we ordered the salad cup and the mais. both were excellent. we wanted the gurbensalat, but it was out this even...
