Today I purchased several things from this place but unfortunately they missed to give me one item. The sad part is that the place was empty so there is no excuse to miss something. I paid for the missing item (biónico). I attempted calling the number they have listed in their website and Facebook but it's not in service. I don't live close to this place so it's not easy for me just go back. [read more](#). Look forward to the **diverse, fine Mexican cuisine**, traditionally prepared with corn, beans and chilies (hot peppers), Furthermore, the **magical treats** of this local sparkle not only on children's plates and in children's eyes.
