Daughter and I ordered the 5150 and mushroom/provolone burgers and both were delicious! Hot off the grill and lots of flavor. Also had an order of fries. They stayed hot for a long time and were crispy on the outside but soft and fluffy on the inside. Someone else, in a review, mentioned the tables feel sticky. They do maybe the finish? It was a little weird but the food was outstanding. read more. What Lincoln Hagenes doesn't like about Burger Warehouse:
Pretty meh. Espec for 13.50. the microwaved, canned mushrooms put a damper on the whole meal. Patty was good, and chipotle ketchup was delish. Overall wouldn't go back. read more. Burger Warehouse from Tyler is known for its **exquisite burgers**, to which crispy fries, salads and other sides are provided.
