What [User](#) doesn't like about The Lucky Hen Larder: order a pastrami sandwich. first it wasn't hot. second, it did not taste like pastrami. it was a hard, gristish bark. I couldn't eat it. because we were brought by friends, I don't complain. my friend had the Tri-Tipp sandwich that was better but not remarkable. if they want a great lunch with really amazing meat, they go to industrial eats in buellton. will never be here again.
