We've been coming here for the last couple years. You can call and order ahead, which is what I would suggest. Their breakfast burritos are really yummy. I expected their super nachos to be larger, just based on our orders at other places.. their customer service in person is ok. Its family-owned and a small business, so we like to support where we can. [read more](#). What [Música RP](#) doesn't like about Taqueria La Mexicana:

The food was just okay. The service was good. The facility was pretty rough. The seats were torn through, wires popping up into your butt. Horrible. The prices were trending which considering the facility level of care and qualityof food, the prices were way too high for the way it is [not] taken care of. There was a hair in the nachos too. We spent \$75. The chicken in the tacos was dry and chewy. The nachos had the... [read more](#).
