What [User](#) likes about Sake [Sushi](#): Annie is definitely the best server I've ever seen in my whole lifetime! We came here for a family dinner last week and we were so happy that we chose Sake!! The food was very fresh and savory, including [sushi](#), appetizers, and entrees. On top of that, service was exceptionally attentive and outstanding! Her presence makes this place special for sure. We will definitely be coming back!!! [read more](#). The restaurant offers free WiFi for its guests, And into the accessible rooms also come visitors with wheelchairs or physiological disabilities. If the weather conditions are right, you can also eat outside. What [Julie George](#) doesn't like about Sake [Sushi](#): Unfortunately 3/6 of our group was food poisoned by the [sushi](#) here. We dined in on a Friday night. Edit: after some talk we realized the three of use who got sick all used the "gluten free soy sauce" [read more](#). An additional service offered by the restaurant is the catering service for guests, and you can look forward to the tasty typical seafood cuisine. Sake [Sushi](#) focuses on a lot of fresh vegetables, fish and meat in its *easily digestible Japanese cuisine*, among the specialties of this restaurant are especially the **Maki** and Sashimi.
