They've come here for years, always make the best new tacos! They give you decent size plates and make the Burritos and Tacos fat. Always order three flour sauces from here. Can't go wrong with the crispy bacon and eggs or Cilantro and onion Barbacoa Tacos [read more](#). What [User](#) doesn't like about La Frontera #2 Hitchcock:

I have ordered the chicken quesadillas. the chicken was gummy and not boiled. the cheese can be a goat cheese. so much fat in the box that the tortillas were mush. they closed at 2:00 a.m. and lock the door behind me so that I was not able to go and tell them how disappointed I was. I would have ordered the crispy tacos I wanted. this is my first time here and doubt that I will ever come back. [read more](#). Look forward to the **diverse, tasty [Mexican](#) cuisine**, traditionally prepared with corn, beans and chilies (hot peppers), In the morning they serve a extensive breakfast here.
