[User](#) likes about Juan Taco:

my man and I are from Washington State for baseball and decided to eat here when shopping. I have to say the best almost food Mexican food. My husband's favorite is a double-decker and Juan's taco was just that and more. Also tears and borons? So glad we came here to eat. [read more](#). What [User](#) doesn't like about Juan Taco: This place has OK tacos. Super small for the price, but that was expected. Nothing special, probably recommend it for a quick bite. If you end up eating here, I recommend their Juan taco or fajita taco. [read more](#). Look forward to the *diverse, delicious Mexican cuisine*, traditionally prepared with corn, beans and chilies (hot peppers).
