The server was amazing. He made suggestions and the brisket tacos were amazing. It came with french fries and coleslaw. I couldn't finish my meal because it was a lot. Nice atmosphere as well. I will definitely be back [read more](#). As a customer, you can use the WLAN of the restaurant at no extra cost. What [Angel](#) doesn't like about Applebee's Grill:

By far one of the worst experiences i have had. We were there for over 25 minutes before we even got asked if we have been helped.. we were asked that by the same guy who sat us down. The few times before food wasn't great but at least service was great.. I dont know what has been going in the last week but service and food has been horrible. I won't be back to this location for a really long time. You seriously need... [read more](#). During meals, a refreshing drink is essential. In this gastropub, you will find not only delectable menus, but also a large and comprehensive variety of good beers and other alcoholic drinks that compliment the food, It's possible to chill out at the bar with a **freshly tapped beer** or other alcoholic and non-alcoholic drinks. Most often, the burgers of this place, which are among the highlights, are offered along with filling side dishes like fries, salads or wedges, Here, the barbecued food is freshly grilled on an open flame.
