I have been having coffee at pedaling beans for years. great coffee, drinks and a few light foods. they have a comfortable interior sitting area to talk to friends or use the Wi-Fi (there is also a picnic table outside.) their rest space is clean and large. Also they are located near the only bridge over the actual sea leelanau for miles around. [read more](#). You can use the WiFi of the establishment free of charge, Depending on the weather, you can also sit outside and eat and drink. What [User](#) doesn't like about Pedaling Beans Coffeehouse: most of the time I have a good experience and a great drink. I take out 1 star because they often close early or change hours without updating them somewhere. I take another star out because it can be happy to draw on the barista they receive and not all the drinks make on the same wise, so that the taste is incompatible. 70% of the time is great.
