What [User](#) likes about Izzy's Tacos: So I was a bit skeptical on trying this place because moving from LA to Fontana we haven't found a lot of good food places that we liked but I am extremely excited that we came across this truck. The picture took was of a carne asada and pastor taco, I only purchased two because I wasn't sure if they were going to be tasty or not. Rest assured they were BOMB. We ended up ordering more tacos, a burrito, quesadillas and t... [read more](#). The diner is accessible and can therefore also be used with a wheelchair or physiological disabilities. What [User](#) doesn't like about Izzy's Tacos: was thrilled to eat here, but it was just ok and here is the reason. the rábanos were very dry as if they were sitting there sunbathing, I don't know why? they should be crispy with a kind of water in them these were dry, so already a bad start. the asada was simply not enough seasonal at least not for me also simply dry. chorizo tasted kind of burned and actually tasted not like meat, it was just the kind that melts...
