at the price you can't beat it. It's as if you're making it home, but that's why you're right!? because you didn't feel like cooking. very suggest to go head because they wait for a seat. [read more](#). What [User](#) doesn't like about Chuck's Grill:

The food was good, until I saw the cook/owner not wearing gloves and sticking his finger in the gravy multiple times to taste it without gloves or washing his hands. Then he used a dirty towel he wiped his hands on to get grease off some fried fish. I will not be going back!! [read more](#). If you're desiring some spicy South American gastronomy, you're in the right place: exquisite meals, roasted with fish, sea creatures, and meat, but also corn, beans, and potatoes are on the menu, here they serve a **appetizing brunch** for breakfast. They also offer easily digestible Mediterranean menus available, Plus, you can enjoy the food of all the tasty courses in the midst of this *Diner's* attractive ambiance.
