Great bagels and great corporate catering. High quality ingredients and presentation. Not your average bagel. Chewy and delicious. Everything is made fresh to order and that takes a little tlc. Treat your bagel loving taste buds or impress your clients with artisan sandwiches. read more. What Frank doesn't like about Locust Valley Bagels:

Went there to order a couple of sandwiches. When it came time to pay I was told "cash only" because "WiFi was down." Okay. Left and came back with cash, received a hard bagel with barely any cream cheese and a ham and cheese sandwich with no cheese. So many better options with far better service nearby. Hard pass. read more.
