If you're hungry some **hot South American gastronomy**, you're in the right place: tasty menus, made with fish, sea creatures, and meat, but also corn, beans, and potatoes are in the menu, This restaurant offers a *catering service* that allows visitors to eat the meals at home or at the celebration. Sometimes you may not want to eat a lot, in this case one of the fine sandwiches, a small salad or another snack is just right, The dishes are usually prepared **in the shortest time and fresh** for you.
