Aesthetically pleasing shop with delicious tea!! I love the jasmine milk tea with honey boba from here. You can also customize the levels of sweetness and toppings like sea form or jelly. [read more](#). When the weather is pleasant you can also eat outside, and there is no-charge WiFi. The rooms on site are accessible, and therefore no problem for clientele with wheelchairs or physical limitations. What [Brittany Berner](#) doesn't like about Muse Tea:

This place is only slightly less basic than tea house. It offers less variety than other boba places. Also, the beverages taste watered down. They forgot the topping I ordered too. If you want boba that actually tastes like what you order, go to Fuji tea off of Bellaire boulevard or Gong Cha in Sugarland. Food: 1/5 [read more](#). For guests of the restaurant, the **catering service** is also available, On the daily specials there are also several Asian dishes. Our expanded selection of *drinks* provides the optimal for every individual taste, Also, the guests of the restaurant love the extensive selection of differing coffee and tea specialities that the establishment has to offer.
