less vegan options, but the vegan udon was delicious and hit the place. Note that the Tempoura bits offered with this dish are fried in oil with non-vegan items, I was warned by the server. at this opportunity there were no veggie tempura options, although the person behind me says that there are in the rule. efficient and courteous employees. [read more](#). The diner is accessible and can therefore also be used with a wheelchair or physiological disabilities, Depending on the weather, you can also sit outside and have something. In the Marugame Udon from San Francisco, using a lot of freshly harvested vegetables, fish and meat, **easy-to-digest, flavorful Japanese meals** are prepared, On the daily specials there are also several Asian dishes. Look forward to the enjoyment of **fine vegetarian meals**, Furthermore, the customers love the successful combination of different menus with new and partially experimental products - a good example of successful [Asian Fusion](#).
