What [User](#) likes about Just Salad: five stars! the absolutely best salate. if you're green, there's nothing better. large vegan options and tons of salad-topping supplements from grilled tomatoes and aubergines to sweeten and all kinds of fresh vegetables. I could no longer be a fan! Besides, even if it is a line, it moves quickly and its packaging and utensils are all plant-based compostable. they will feel better over everything here and leaf! [read more](#). What [Inbal Tenzin](#) doesn't like about Just Salad:

1st of all this branch is inside Macy's. I ordered 2 salads and 2 smoothies, while waiting for the smoothies to be ready, one worker tells to the other that it came out less than 2 cups.... but still it was ok for her to give us the drinks as you can see in the pictures not full cup at all for \$6.50 each.... Sorry but when you save on your customer, you lose him. If you want to try fine American menus like burgers or barbecue, Just Salad from New York City is the place to be, there are also fine vegetarian dishes in the menu. The restaurant provides a comprehensive variety of fresh and scrumptious **juices**, The light and healthy menus on the menu are also among the favorite dishes of the customers.
