If you're craving for some fiery South American culinary arts, this is the place to be: delightful menus, prepared with fish, seafood delicacies, and meat, but also **corn, beans, and potatoes** are in the menu, and you can enjoy here scrumptious American meals like Burger or Barbecue. Most often, the burgers of this establishment, which are among the highlights, are offered along with sides like french fries, leaf and cabbage salads or wedges, the menu also includes tasty vegetarian meals.
