The restaurant offers complimentary WLAN for its guests. If you're hungry for some fiery South American culinary arts, this is the place to be: delightful menus, cooked with **fish, seafood delicacies, and meat**, but also corn, beans, and potatoes are in the menu, and you can look forward to the scrumptious classic seafood cuisine. It goes without saying that a suitable drink completes a meal; therefore this gastropub provides a generous selection of fine and local alcoholic options, be it beer or wine, The meat is freshly prepared here on an open flame.
