I love coming here. The food is delicious. Waiting time can be a while, I would recommend booking online in front of the hand. Service is good and perfect place for a date. [read more](#). When the weather conditions is nice you can also eat outside. What [User](#) doesn't like about Gyu-kaku Japanese Bbq:

We haven't been here in over five years. The food was ok however the service sucked. The waiter brought out two of our meats with our check. We had completely forgot about the other meats we ordered. Their drinks were good food was ok we enjoyed the s'mores. I understand all of the staffing issues but maby they shouldn't over book the restaurant. FYI this place doesn't have [sushi](#) it only has fried rice with spicy tuna... [read more](#). You can at Gyu-kaku Japanese Bbq from Rancho Cucamonga [taste delicious vegetarian menus](#), in which no animal meat or fish was brought into play, Furthermore, the visitors love the successful combination of different meals with new and partially experimental products - a good example of successful Asian Fusion. The **meals are prepared authentically Asian**, and it's made with lots of freshly harvested vegetables, fish and meat, easily digestible Japanese meals prepared.
